

the 1990s, the number of people in the UK with a mental health problem has increased by 50% (Mental Health Foundation 2000). The prevalence of mental health problems in the UK is estimated to be 10% (Mental Health Foundation 2000).

There is a growing awareness of the need to address the needs of people with mental health problems in the workplace. The UK Government has published a strategy for mental health (Department of Health 1999) and the European Commission has published a strategy for mental health (European Commission 1999). The UK Government has also published a strategy for mental health in the workplace (Department of Health 1999).

The UK Government's strategy for mental health in the workplace (Department of Health 1999) states that the aim is to 'reduce the stigma and discrimination against people with mental health problems in the workplace'. The strategy also states that the aim is to 'improve the support and services available to people with mental health problems in the workplace'.

Warrior Netters - "Beastin"

The 2010 Calumet Boys' Tennis Team enjoyed a successful season. We finished with 9 wins and 9 losses. The Warrior Netters were 3rd in the Greater South Shore Conference and 3rd in the Conference tournament. We were not shut out and won by a shutout 4 times.

One goal that we strive for as a team is to have a winning record. Secondly, we try for some individual success. This season, we almost achieved both goals. We did not have a winning record, but we did not have a losing one either. At 9 and 9, we had a non-losing record. Senior team captain Jeff Stooksbury, at his #1 singles position, put together another one of the best individual seasons in Warrior Netter history as he won 10 matches, went undefeated in GSSC play (he was #1 singles champion for the second year in a row) and advanced to the Sectional level of the IHSAA individual singles tournament. Jeff's hard work paid off as he improved from last season's tremendous run. Jeff suffered only 2 losses all season, both to the same guy, Freshman USTA punked Luke Sunderson from Kankakee Valley. Luke lost only once and that was at the state finals. Jeff finished undefeated for a career at #1 singles in the Greater South Shore Conference! He was 39 and 4 for his Junior and Senior years, a truly remarkable achievement! He was named first team all district for the second year in a row and honorable mention all state! Calumet High School is truly proud of Jeff's tennis accomplishments.

Also having successful seasons were Junior's Phil Sopiarz, Jarrett Taborski, and Steven Doran. Sopiarz played mostly at #2 singles and won 10 matches in singles. Taborski alternated between singles and doubles and won 6 singles and 4 doubles matches. Doran won 7 matches overall, 6 of them in doubles. Rounding out the varsity team were Super-Sophomores Jimmy Weisman and Andy Magiera. Playing with each other some and with various other partners, they each won 9 matches. The best thing is that all 5 of these guys will be back with another year of experience under their belts!

The JV team finished 4-9-1. Not bad for mostly Freshman and beginners! They were led by Freshmen Josh Borst, Tristan Cummings, Justin Wymaf, and Mike Rodriguez. Junior Dave Steuart joined the team after school started and contributed wins to both the JV and the Varsity. All of these players have a bright future if they stick with it.

Warrior's Football

The 2010 football season was "mystical." We had a potential great team that was decimated by injuries. The injury plague started in the summer when Tyler Van Lul (#12) slipped while doing box jumps, requiring a hospital visit. After this injury, the snowball proceeded to roll down the hill!

We had a team of size, speed, and power. In the opener at Gavitt, the Warriors put up a 56-22 score against a more experienced Gladiator team.

We were very "Christian" against Clark, giving them a victory. At North Newton we were again off to a big score.

Unfortunately, TJ Axel (#17) blew out his knee and we were fever as fast again. Although our speed was diminished, the game came down to the 6 yard line where we took over on downs with less than a minute to play. It was a cliffhanger victory. This game demonstrated the team's character, "Never Quit!"

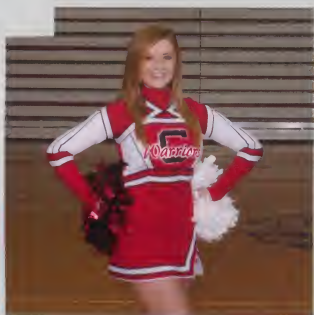

The tigers came to Calumet with a record of 3-0 and left 3-1.

The rest of the season was as follows: South Central - ugly loss Lake Station - an unfortunate loss; Bishop Noll - 485 yards of offense, still no win; Whiting - a Homecoming loss; Wheeler - Chakese Whitfield's (#12) 200 yards rushing overshadowed by loss. Key players were held out of this game to get them healthy for John Glenn. Sectionals, No. 9 John Glenn was our opponent. We took charge of the game early and had a 6-0 lead for 11 minutes. John Glenn only led 14-6 by the half. We lost but "Never Quit!" We had two quarterbacks go down in this game... a fitting end to the "mystical" season. This team was special with veterans - with William "Bully" Doup, Jr., Chuck Carter, Chris Davis, Walter Ford, Devante Piggee, Justin Agee, Tyler Van Lul, Chakese Whitfield (1000+ rushing) and TJ Axel all doing their part when healthy. A nice nucleus of Thomas Brown, Marquis Carlton, Marquan Manuel, and Vaughn Lubarski provide hope for a great 2012 season! - Coach Zimmer

Warriors Cross Country Team - Long May You Run

Cross Country

The 2010 Cross Country season was a building year with only 4 returning members from the previous season due to many athletes graduating. The season started with Coach Ryan Alb departing after 6 successful seasons and new head coach Rob Lukowski taking over the program with help from volunteer assistant coach Emily Mastej. The team started out small and grew to 15 members by season's end.

On the boys side there were many standout first year runners including Sal Hernandez, Cody McMaster, Robert Brown, Quentin Jennings, Michael Wilson and boy's Captain Kevin Miller, who not only took 2nd team All Conference during the season but also ran to a career personal best time at the Foot Locker Regional Championship in Wisconsin on Thanksgiving weekend. Other strong contributors to the varsity team were returning veterans Sergio Villarreal and Ed Villarreal. The boys team finished 4rd in the GSSC Conference meet and had a strong showing in the sectional.

The Lady Warrior's season was marked by many new comers as well. The varsity line-up included strong newcomers such as Kales Thomas, Roniece Hollingsworth, Deena Hayes, Taylor Brennan, and Brittany Urbaszewski. The returning veterans during this season's campaign were Captain Andrea Degard and fellow Junior Kalia Clark. The season saw many bright spots for the Lady Warriors, including a team 3rd place finish in the GSSC Conference and a team 6th place finish at the sectional, 1 place short of a regional birth. Another bright spot was the setting of a new ladies' school record recorded at the Highland Invitational on September 25, 2010, when Andrea Degard shattered the old record for 5,000 meters by 10 seconds, running 21:06. - Coach Lukowski

Boy's Basketball - Boo Ya!

The boys basketball team had a 7-14 season with a solid senior group leading the way. The team had many highlights on the season and improved as a team in both points scored per game as well as points allowed per game. This team also kicked off the first annual Calumet Holiday Tournament that featured 8 teams from throughout Northwest Indiana. The senior class of Chuck Carter, Robert Guzman, Devanta Mitchell, Jeremiah Walton, Daniel Readus, Chakese Whitfield, and Josh Joseph will be sorely missed. - Coach Nelson

Lady Warriors

Basketball Season

The 2010-2011 season for the Lady Warriors basketball team was very memorable. Through smiles, laughs, anger, and tears, we managed to be successful. We proceeded to win two conference titles - both the Regular Season Conference Championship and the Conference Tourney Championship. We also had a winning season by recording fourteen wins and only eight losses.

Coach Downing put up with her craziest group of players in her entire history of coaching girls varsity basketball. This team consisted of eight seniors: LaTiana Harris-Captain (Lati), Darcy Kwiatkowski- Captain (Butterfly), Kyra Monroe (Reachy Creachy), Gabby Johnson (Gabby-Abby-Doo), Simaya Hayes (Simba Lou), Alyssa Nieto (Nacho), Taylor Roman (T-Rex), Stefanie Martinez (Little Steph); two juniors: Desi Long (Ding-Dong) and Amber Redd (Redo); and one sophomore: Theresa Strong (Strong). The eight seniors were probably her biggest handful.

Overall, this was a great year for the Calumet Lady Warriors. We played hard, ate well, and worked to be successful. Even the best of families fight, but at the end of the day we still love each other.

-Kyra Monroe

Grapplers Enjoy Another Successful Season

We finished 16 - 7 in duals (8-0 in the GSSC) for our 7th consecutive winning season and 40th overall in the 48 year history of wrestling at CHS. We won our 4th GSSC title with 5 champions and earned our program's 500th dual victory against Bishop Noll, 64-14. We finished 3rd in our Sectional to Merrillville, edging Griffith out of 3rd by a half point, and advanced 7 to the Regional. Four advanced to the Semistate, where we competed well, advancing 2 to the "Round to Go" but falling short of anyone advancing to the State Finals. - Coach Wadkins

Baseball - Struggling to Find Their Way

The baseball team had a tough season. It was really a rebuilding year and we lost our pitching from last year, but K.C. Waleski and Josh Joseph stepped it up (along with Jose Rodriguez) and did a great job. It was rough, but all in all we had some fun and the younger guys learned a lot so next year we should do a whole lot better if everyone comes back. - Coach Azbill

Winning!

The Calumet Softball Team had a great 2010-2011, going 18 and 8 and finishing 4th in conference. In terms of winning percentage, this is by far the best softball team in CHS history. Kaitlyn Magiera and Misty Alvarado were named to the All Conference first team, while Amber Redd and Amanda Stenger were named to the Second Team All Conference.

This years team beat softball powerhouse Whiting and also defeated North Newton twice...neither of those accomplishments had ever been done before. We lost a hard fought game to state-ranked Andean 1 to 0 in the first round of the playoffs as well.

The two year reign as Greater South Shore Conference Champions (GSSC) ended for the Lady Warriors. There was no "Three-Peat;" We had

a good team but not enough athletes in the right events. We applaud the young ladies for their tenacity and hard work. Special thanks to all who contributed to our success the

past few years. Kalia Clark finished 9th in the 110M High Hurdles at Regionals. Aliyah Washington, Laura Kienzle, Kayla Kronland, & Jessica Robinson had special years.

The Boy's team was competitive in every meet. We had a talented mix of athletes but lacked athletes in specific events. Unfortunately, that ruined our chances to win more and to compete for the GSSC championship. TJ Axel, Chuck Carter, Marquis Carlton, Tyler Van Lul, and Daniel Readus contributed greatly to our success. - Coach Zimmer.

Yearbook
advisor,
Mr.
Brugioni

Anna
Roessing,
Chieftain
Editor-in-
Chief and
Most
Valuable
Staffer;
we will
sure miss
her.

Here it is, in all its glory and magnificence: the latest installment of the Calumet High School Chieftain

Yearbook. The theme this year, "Linger Awhile" (stolen from the 1964 Chieftain) was a very apt one, as this yearbook came together even later than usually. This was due, in large part, to the fact that I (as yearbook advisor) was exceedingly busy (finishing a Masters, navigating my first year as a New Tech facilitator) and even more than usually exceedingly procrastinative. However, with the help of stalwarts like Anna Roessing, and that of firecracker-y newcomers such as Trevor Lawrence, Jimmy Weismann, and Tania Flores, the yearbook eventually took off into the overwhelming juggernaut you now hold in your hand.

Thank you are in order to all the usual suspects, most notably Nancy Grzych, who took almost all of the beautiful pics that adorn these pages, and to Mrs. Eaton, the new Senior Class sponsor, who stepped up with everything that I needed whenever I needed it. And, as always Dear Reader, thank you for your continued support and patronage; without you, there would be no Chieftain. And while I am still not paid enough to take complaints (or even criticism), I am paid enough to make sure we offer the very best yearbook we can, which is exactly what we did.

And we will continue, so long as I am advisor, to preserve your child's awkward stage of life for all posterity, and in full color at that!

Best,
Mr. Daniel Brugioni

CHS New Tech

"Changing
Lives, Changing
Learning, Changing
the World"

This year, Calumet High School began the transition from traditional teaching to New Tech, a model that emphasizes increased student control of learning, a more caring and professional environment, and a focus on creative problem solving dedicated to real-world applications...There were some ups and downs, but overall, the first year of New Tech must be considered a marvelous success, as test scores went up (somewhat of an anomaly with this sort of transition) and Calumet High was taken off of academic probation! At the time of writing, CHS's future looks bright!

Some people come into our lives and quickly go. Others stay awhile, make footprints on our hearts and we are never, ever the same.

On August 28, 2010 the Lake Ridge School System lost one of its greatest family members... Teacher/Coach Susan K Gabbert.

The Chieftain Staff hereby dedicates this year's yearbook to her memory.

"I believe Coach Gabbert would want us to live our lives trying to be the best person each of us can be, embracing friends and family with love daily, never letting a single moment pass without being grateful for the gift of life we all still have, to have fun and laugh every single chance we get and to use the memory of her courageous battle against the evil of cancer as the inspiration to get through whatever trials and tribulations that lie ahead in each of our lives. She is the best person I have ever known, the best friend I ever had, and I miss her every single day." - Coach Dori Downing

"Sue was a great teacher, a great peer and overall great person. She was honest, hard working and real. She new how to work with the students here at CHS." - Jeff Keehn

"My favorite Sue Gabbert memory will always be sitting and eating lunch with her while she made up silly lyrics to 80's music. Mr. Trevino would be playing some music on his computer and would play it so everyone could hear; Mrs. Gabbert just LOVED 80's music!" - Dustin Nelson

"Sue had the ability to make anyone feel comfortable and valuable. She loved to have fun and was serious about serious things. She will be missed in all our lives for her friendly smile, funny asides, and warm glow. Bye for now, Sue!" - Carol Jones

"I never had the great opportunity to 'know' Sue Gabbert the way everyone else did - but in a sense I do feel like I know her because of all the love the student's and teachers have shown for her this school year. I see she has touched so many lives just by being herself; and that is a great testament. In some of the pictures I seen of her once you could tell she most certainly was an angel, she just had that the angelic and peaceful look about her. I know she will live on in all of our hearts and I do feel privileged to have been able to learn about her as much as I have through everyone she touched." - Lynn Dorado

"Sue's energy was contagious. In the short time that I knew her, she was always beaming with enthusiasm. Her dedication to CHS and the students was something to be admired." -Samantha DeKruiff

"Sue Gabbert knew how to make everyone feel like he or she had been her best friend for hundreds of years. She really had one of the best personalities I have ever been around and I always looked forward to seeing her." - Sherri Green

"Sue is our Angel, Watching over us" - Vikki Rodriguez

"Sue was nice to everyone - even me, as a gawky Senior. I appreciated it then, and I do so, even more, now. That sort of unconditional, genuine kindness is rare and beautiful, like Sue." - Daniel Brugioni

"Sue was the Warrior we should all aspire to be!" - Cynthia Trevino

the 1990s, the number of people in the world who are undernourished has increased from 600 million to 800 million, and the number of people who are malnourished has increased from 1.2 billion to 1.5 billion (FAO 1996).

There is a growing awareness of the need to improve the nutritional status of the world's population, and the World Health Organization (WHO) has set a target of halving the number of undernourished people in the world by the year 2015 (WHO 1996).

One of the main reasons for the increase in undernourishment is the rapid population growth in the developing world, which has led to a corresponding increase in the demand for food.

Another major factor is the increasing incidence of chronic diseases, such as obesity and diabetes, which are associated with poor nutrition.

These diseases are often caused by a diet that is high in fat and sugar, and low in fibre and other essential nutrients.

It is therefore essential to take steps to improve the nutritional status of the world's population, and to prevent the further increase in undernourishment.

One of the most effective ways to do this is to improve the availability of nutritious food, and to ensure that it is affordable and accessible to all people.

This can be achieved by a number of measures, including increasing agricultural production, improving food distribution, and reducing food waste.

It is also important to educate people about the importance of a healthy diet, and to encourage them to make better choices when they shop and eat.

By taking these steps, we can help to ensure that everyone has access to the food and nutrients they need to live a healthy and productive life.
